

ENVIRONMENTAL
ENTREPRENEURS®

December 2, 2010

Dear Lee,

I'm writing to personally thank you for working with us to shape and lead E2 over the past year. E2 just celebrated our 10 year anniversary, marking the journey that we've traveled with all of our members over the past decade. Thanks to the very significant commitment of your time and effort, we have had numerous policy successes over the past year, our first-ever E2 Summit, and a record-breaking revenue generating E2 10th Anniversary Celebration.

As you well know, E2 is an affiliation of volunteers, an unusual product of high aspirations and the willingness to work hard for free - and our Chapter Directors are the core of the organization. Thank you in particular for your leadership, creativity, and commitment in developing your Chapter. Your investment in this organization allows E2 to continue to advance a unique and strategic independent business voice for the environment.

I am tremendously grateful for your partnership. Thank you for that and thank you for your gift to E2/NRDC this year.

Best Wishes,

Nicole Lederer
